## I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

**III. STATEMENT OF CLAIM**Place(s) of occurrence: Brooklyn, Bronx, New YorkDate(s) of occurrence: last two weeks to present 11/4/19**FACTS:**

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

The nature of this case is delicate new horns are involved yet a lot of people over-look it and has their eyes on my money. The fight for my money and to destroy me this is what this case is about.

After planning how to destroy the three Kings defendants and others employed by them put it to work. Most of the scenarios and plots were already shown to me via vision how it will go down.

I would like to simply ask the court to replace the three (3) Kings and give me my key to my luxurious house. Most of the work was already done at a house I believe to be G. Host.

Someone said "it sounds like a dish you would want to make at home."

One of the women wanted to find out where G. Frost got me - the double breast woman from. Via vision I heard "Now you do not have to stay here and get trap!"

"Now? you take full responsibility for all them kids" I saw someone given an extra cookie for this job of baby-sitter or for the babies. I heard G. Frost said "they fighting him down." →

#### INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

heartbreak. exposure to the elements. No stove-unhealthy eating bad health. AN Effects of not living in a house i.e poor hygiene. sexual assault from HNA and MTA. Pain and suffering. Dislocated collar-bone. Diminishing hearing, eye sight from botched MRI's.

#### IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in the C.I.I and F.B.I to investigate the case Restore my three Kings and order the defendants to hand over the keys to my luxurious house. I would like to ask the court to order

This morning I heard two people say "they never see so much money."

I would like to ask the court at this time to bring in the F.B.I and C.I.A to investigate this case. It appears my money has just about everyone running crazy.

After one of my trolley wheel got damaged and barely moved I decided to take it back to a store in Brooklyn where I bought it from Projectors Knew I would go back there. In fact I saw via Vision the proprietor of the store processing money on his iPad for the other two babies/kings.

I physically stood in his store and saw people allude to my case in one way or the other come into the store. Two of them spoke to the Chinese proprietor. I heard "is time you gave me that." A couple days ago the defendants said "Eve is going downhill."

These people plan, go far and deep for things that are not theirs. Some of them already got money and keep returning. It is my belief the relief is just being used "in this case" for all defendants extra pocket money. About 2am yesterday I embarrassed a female stalker on a train platform after observing her for sometime. This young woman could be the new no coming baby-sitter I ask or present me this person.

the defendants to compensate me for pain and suffering, physical and mental pressure, time lost and ~~lost~~ heartbreak from absent children.

I would like to ask the court to have ready my compensation payout (checks 2) by the 12/30/19 (12 noon).

I would like to ask the court to order the defendants to restore jewelry, one car and money } my second house back to me. If there is a present marriage between G. Frost and anyone immediately annul it. It is fraud. There is no grounds for it.

I would like to ask the court to order manipulators and others to stay away from my children. Order G. Frost make no monetary or major decision about the children without me physically or physical voice (phone).

I would like to ask the court to order the defendants hand over luxurious house keys to me (12 noon same-place), tomorrow 12/5/19.

The defendants had subscribed me for different things. I would like to ask the court to <sup>order defendants</sup> unsubscribe me from all of them.
